ABSTRACT OF THE DISCLOSURE

1
2 A novelty item including an image or picture of a specific activity, object or place
3 printed on one surface with an audio spectrograph tracing or complex waveform that
4 corresponds to the activity, object, or place printed thereon. Optional written phrases
5 describing the sport or activity depicted by the sound waves would appear vertically on the
6 sleeve, or elsewhere on the shirt, such as "surf's up" or "the swing of the club". Also
7 disclosed is a method of promotion using the above novelty item.
